

facials

customized phyto-organic facial - 50 MIN \$150 | 80 MIN \$240

Brightening, Purifying, Calming, Hydrating Treatments

Experience our signature, luxury, plant-based skincare from Italy, enriched with anti-aging antioxidants and organic olive oil extracts. First we customize your facial to your skincare needs and concerns. We offer a gentle yet relaxing face, neck and shoulder massage with our signature hydra-boost soothing massage cream. Warm towels, steam treatments and extractions are included. Every facial includes a customized firming Vitamin C Mask to brighten and nourish the skin.

ultra quench age defying facial - 80 MIN \$240

Combat premature aging with this luxurious island paradise facial that incorporates the science of Phyto-cosmetology to isolate the energizing power of plant extracts with the healing powers of precious gemstones and minerals. Choose from our diamond or gold face, neck and décolleté healing anti-aging masks. Lift and tone facial muscles, targeting wrinkles around the eyes and lips through advanced microcurrent technology. Seal and protect with powerful hydrating serums and UVA/UVB broad spectrum sun defense Phyto-Curative blends.

JUST FOR MEN

pure skin performance - 80 MIN \$240

Let Your Face Do the Talking. Our signature men's skincare line leverages the latest green science skin technology to build skin endurance and intercept aging at its source. Steaming towels, relaxing neck and shoulder massage and a uniquely cocktailed skin treatment combine to re-balance environmentally stressed male skin and deliver immediate and noticeable results.
